HERITAGE

Webuild: 115 anni di grandi opere

2

GROUP

WHO WE ARE

Webuild (formerly known globally as Salini Impregilo) is a **global leader** in the construction of **large, complex infrastructure**.

We **build sustainably** to create a better future and to create the infrastructure that will improve people's daily lives.

SUSTAINABLE MOBILITY

- Metros
- High Speed Railways
- Railways
- Roads & Motorways
- Bridges & Viaducts
- Ports & Sea works

CLEAN WATER

- Desalination & Water Treatment
- Wastewater Management Plants
- Hydraulic works
- Irrigation Dams

CLEAN HYDRO ENERGY

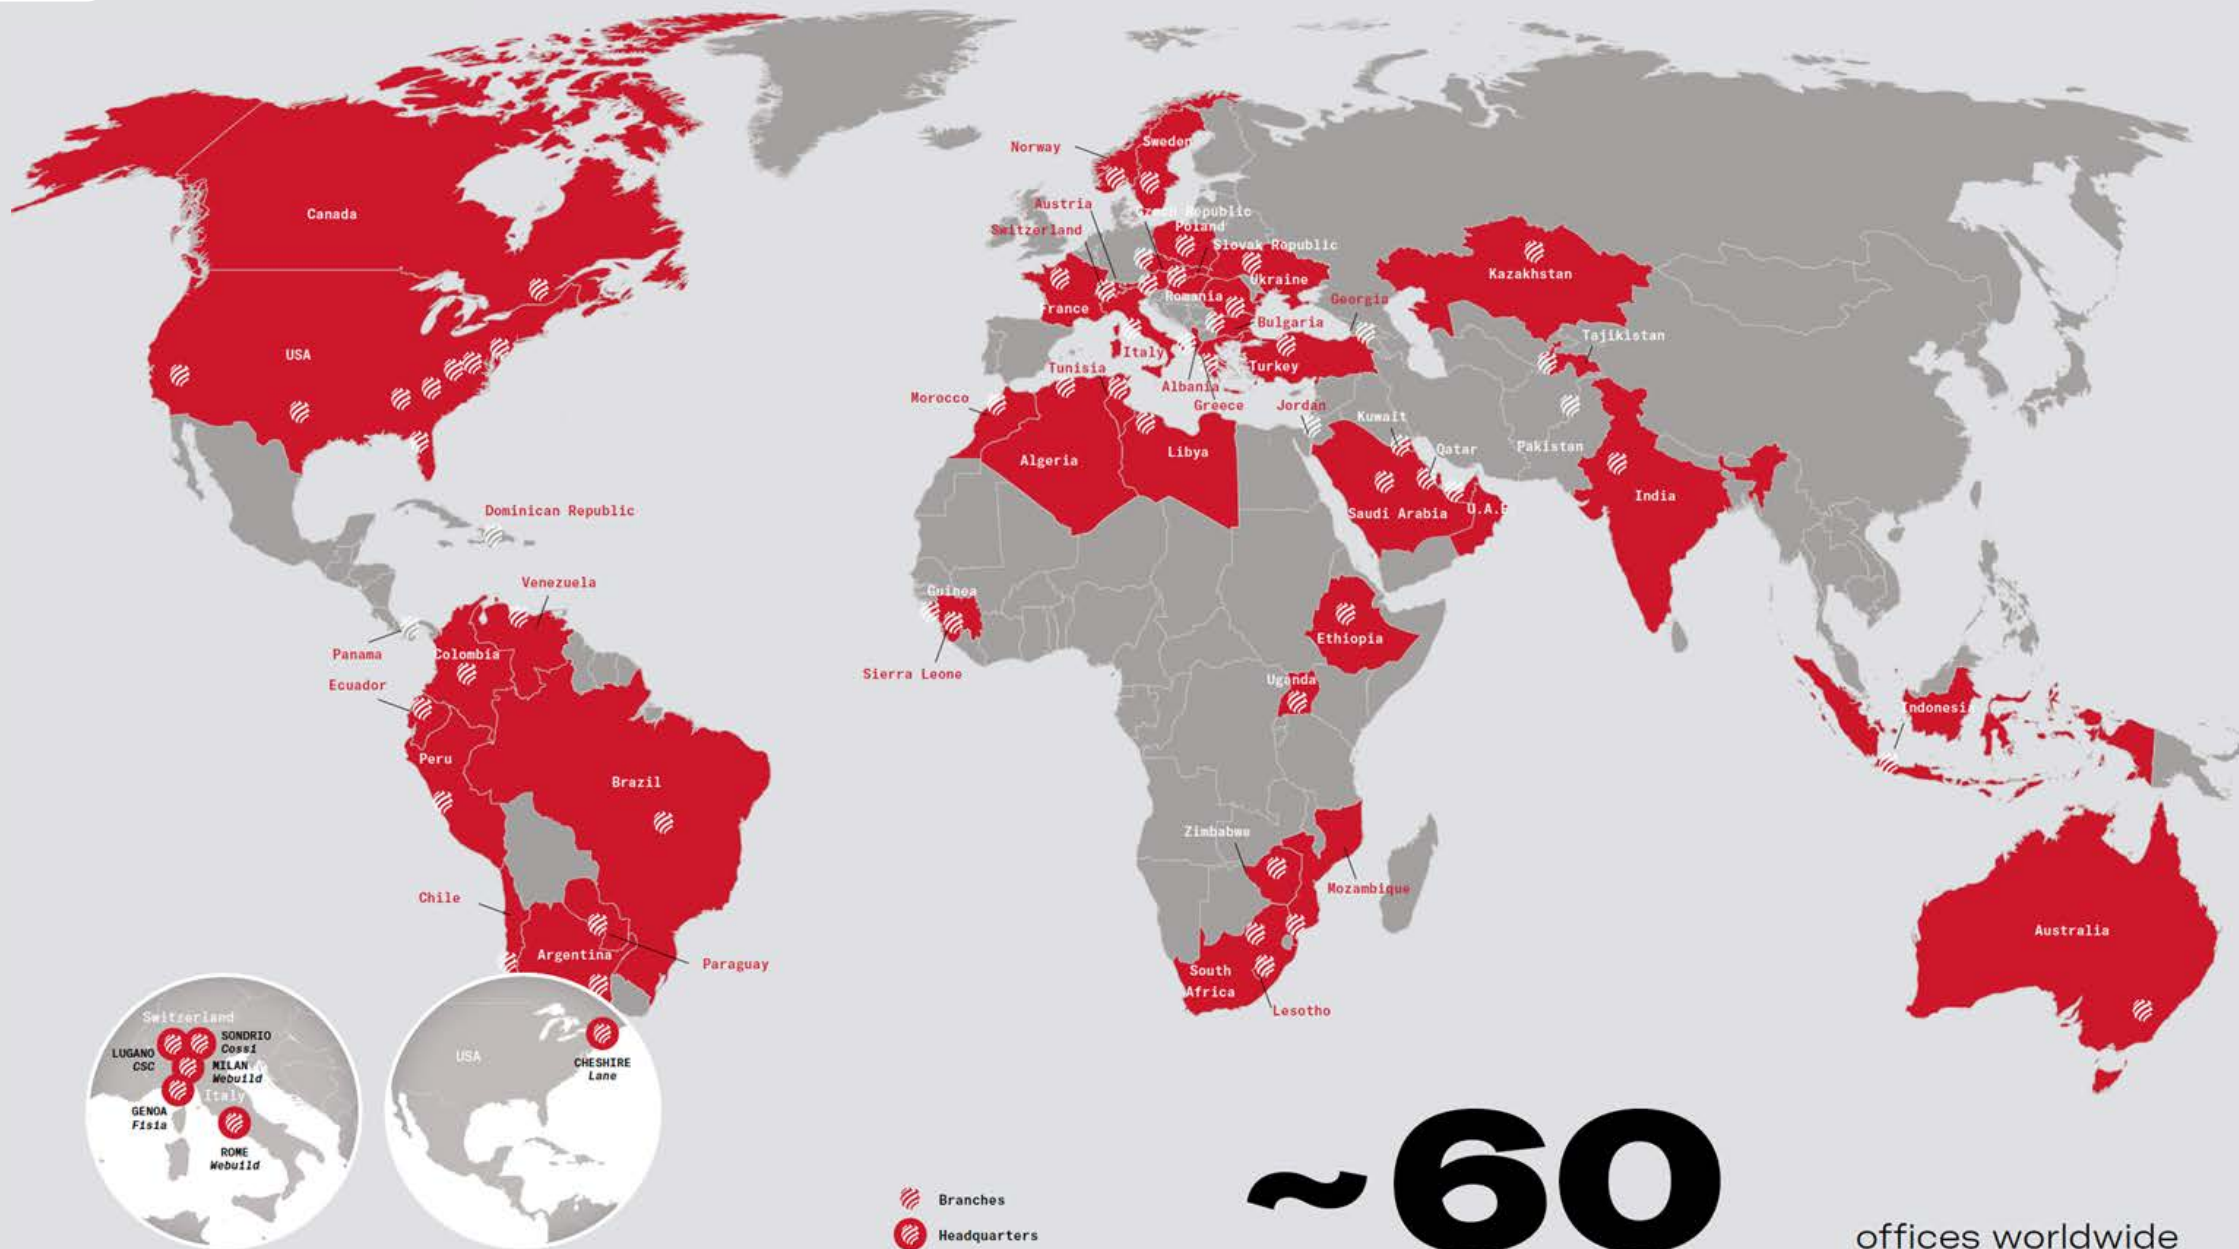

- Hydroelectric Dams & Plants
- Pumped Storage

GREEN BUILDINGS

- Civil & industrial buildings
- Airports
- Stadiums
- Hospitals
